

Joe Day
Reservoir Engineer
Occidental Petroleum Corporation
Joseph_Day@oxy.com

Joe Day graduated from the University of Kansas with a Bachelor's degree in Chemical Engineering in 2010. He started with Oxy that same year as a Production Engineer, then transferred to a Reservoir Engineering role in 2013. He has held roles of increasing responsibility in Oxy's Early Career Network and was named President of the network in late 2012.
