

Dr. Karie Willyerd
Vice President, Learning and Social Adoption
SuccessFactors
kwillyerd@successfactors.com

Dr. Karie Willyerd is the co-founder and CEO of Jambok, the industry's first informal social learning software platform, which was acquired by SuccessFactors in 2011. Willyerd was formerly Chief Learning Officer for Sun Microsystems, and in that role she was responsible for employee, customer, partner and Sun community learning. Dr. Willyerd is the coauthor of the bestseller, *The 2020 Workplace: How Innovative Companies Attract, Develop & Keep Tomorrow's Employees Today*. She is a regular blogger for Harvard Business, co-authored a feature article on mentoring Millennials and has authored dozens of other articles and publications.

In prior roles, she was a Chief Talent Officer for a Fortune 500 company, led the people development function at Lockheed Martin Tactical Aircraft Systems and ran executive development at H.J. Heinz. Dr. Willyerd holds a Master's in Instructional and Performance Technology from Boise State University and a Doctorate in Management from Case Western Reserve University. She serves on the global advisory council for the business school at Colorado State University and is on the advisory board of HR.com.
